THE time for which the Manubikis who arrived here two years ago to the Manualoa having expired on the 16th Inst., we understand that the their engagement. There are a together sixty-nine persons who take passage in the Lucuillo, viz; tweneight men, twenty women and twenty one children These prople return to their native islands fully satisded with their treatment here during their two yours a dourn; and we are informed that nearly, if not nite all, express a desire to return, as soon as her have visited their homes and distributed among their friends and relatives the riches in prints and cottons accumulated by them here. All their surplus earnings have been judiclopaly invested by them in such articles of clothing as will be of use among their country people. We know of some tostances where these people have been employed as bouse servants, and have proved themselves faithful and trustworthy. In some cases, their separation from the children which they have attended, will be an event of sincere regret to both parties. We un derstand that it has been so arranged, that threewishing to return can do so by agreeing to pay a moderate passage, which will be readily advance by those to whom they engage themselves upon their return. It is probable that many of those who leave to-day in the Lucalito will return, and it is not at all improbable that the favorable report made by them to their countrymen will induce others to come with them.

THEATRICAL SUMMARY. - By last mail, we learn the following regarding various members of the profession who are more or less known here: Charles Matthews is in New York, and was attracting large audiques, composed main't of a class of persons rarely seen at a theatre, which refers to those well afranced in years, who had witnessed his performances on previous visits. Rose Evens is also in New York; Judging from her fattering reception, she will doubtless become a great favorite. A poper In that city gives a piece of information regarding her that is new to those who are acquainted with her anteredents, to the effect that she is American by birth, but received her professional education of the English stage. Son was probably not a ware of It becalf until recently. Wither Montgomery has become so infatuated with the people of Boston or they with him, that he has accepted a second engage ment, although "shout to leave for Eucland" for some time. He will probably remain until after the "Comibal Car" had arrived. Miss Cirreland at last accounts was in Ireland appearing in sensation dramas with great effect. Bandmann is in Chicago, thoroughly disgusted with his recent visit to the Colonies, these Islands and California; be considers that the people of these places are unable to water \$20 000 and remerks that " it is a mistrice if anyone thinks had acting don't pay." It is reported that the Carandinis intend to make California. their home; they have lately resumed giving select concerts, and are become by more popular than when they first arrived there. Yeark Jones is performing le San Francisco, and Intends, as soon as the sun mer is farther advanced, to come down here with a first-class minstret and variety troupe. If they are while to come. The Emerson troups, who were reported as coming here, on their way to the colonies are too popular to San Francisco to think of leaving just yet. W. E. Bogers is in Yokohama with a rariety troups, consisting of Neitle Hosmer, Joseph

Small, "Prof." Singer, and others.

> ONE OF SHERIDAN'S JOKES -Sheridan was fond of proclical jokes, one of which he played upon the Duke of Devenshire. Sheridan was in the habit of BY BRANCH STEAMERS FROM THE FIJIS frequenting Dolly's chap-house, Where he generally called for deviled shinbone of beef. One day, con ing in rather later than usual, he was told that the only shipbone in the larder was being cooked to persons ought to be made responsible in the same His Grace the Duke of Devenshire. Sheridan, who WONGA WONGA, manner as those guilty of furious riding, as great knew the Duke, although not personally acquainted with him took a sent within hearing distance of REMINISCENCE OF OLD TIMES - Another ald him and began a conversation with a triend in a lond tone of voice. "I always imagined," said he, "that Boffe's chop-house was one of the nestest establishments in London, but I made a discovery this morning which has convinced me that I was mistaken." The Duke listened very attentively, as he continued: "As I was passing the kitchen window, I observed a turn-spit boy greedily gnawing a shinbone of beef. Presently one of the cooks run up to him, and giving him a blow on the neck, compelled him to drop his prize. 'You dirty little rascul,' said the cook, 'couldn't you find nothing else to eat? Here I've got to cook this hone for the Dake of Devoushire." Soon after the conclusion of this tale, a waiter entered the room and advanced to His bound or Grace with a covered dish. "Your bone, sin." "Take it away!" roured the Duke, with a free of great disgust, "I can't touch a morsel of it." "Stay, waiter!" said Sheridan humbly, "bring it to me. If His Grace can't cut it, I can. Fetch me a bottle of claret; I'don't wish for a bette luncheon."
